

**Register your passion.  
Register your commitment.  
Register . . . Green!**

When Green registration increases, everyone benefits!

The registration numbers say:  
it's time for REAL change - e.g., a Living Wage.  
we demand TRUTH in politics.  
it's time for social justice.  
let's defend and protect the environment.  
get big \$\$ out of politics and government.  
put people over profits.  
just say "No" to corporate globalization.  
end discrimination; respect diversity.  
all this and more . . .

It's good for the Green Party.  
It's good for all progressives.

It shows clearly that progressive votes count!  
It empowers progressive candidates and agendas.
